| Project/ Topic | Title | # Pages | Description | Item # | # Copies |
| NAHMS National Animal Health Monitoring System | Bibliography | 10+ | List of published technical articles, 1983-present. | N1A.bib | 1 |
| | NAHMS: A Tool for U.S. Animal Agriculture Information Management, 1/95 | 2 | Describes the objectives & activities of the National Animal Health Monitoring System (NAHMS). | N108.792 | 1 |
| | NAHMS National Studies, 10/95 | 2 | Describes the purpose and design of NAHMS studies and use of resulting data. | N190.1095 | 1 |
| | NAHMS Management Review Group Report, 7/92 | 15 | Report of a 1992 meeting of USDA representatives convened to provide oversight & direct input for the growth & development of the NAHMS program. | N108.792 | 1 |
| NAHMS Dairy '96 | NEW: Changes in the U.S. Dairy Industry, 1991-1996 (available Fall 1996) | 28 | Describes demographic changes in the U.S. dairy industry from a historical perspective and changes in management, productivity, and heifer health as identified through two NAHMS studies. | N210.996 | 1 |
| | Part I: Reference of 1996 Dairy Management Practices, 5/96 | 40 | Tabular reference with graphic presentations on: herd management, culling, morbidity, mortality, housing, and biosecurity. | N200.596 | 1 |
| | Dairy '96 fact sheets, 5/96 | 2 ea. | Discussions of economic opportunities for culling management and biosecurity practices. | NOD.596 | 1 |
| | The Making of a National Study: NAHMS Dairy '96, 11/95 | 2 | Describes needs assessment activities for the Dairy '96 study. | N189.1095 | 1 |
| NDHEP: NAHMS National Dairy Heifer Evaluation Project, 1991-1992 | Impacts of the NDHEP, 10/95 | 2 | Describes various industry uses of NDHEP data. | N188.1095 | 1 |
| | Dairy Herd Management Practices Focusing on Preweaned Heifers, 7/93 | 36 | Tabular reference with graphic presentations on: preweaned heifer management & health. Data from sample representing 83 percent of U.S. milk cows. | N129.0793 | 1 |
| | Dairy Heifer Morbidity, Mortality, & Health Management Focusing on Preweaned Heifers, 2/94 | 22 | Tabular reference with graphic presentations on: death loss & illness, calving management. Data from sample representing 83 percent of U.S. milk cows. | N129.0294 | 1 |
| | NDHEP fact sheets, 7/93-2/94 | 2 ea. | Discussions of colostrum management, calf feeds & weaning practices, biosecurity measures, vaccination practices, nutritional supplements & feed additives, <i>Cryptosporidium</i> , <i>Escherichia coli</i> O157:H7, & <i>Salmonella</i> , blood selenium levels, etc. | NOD.392-194 | 1 |
| Dairy Ongoing Monitoring | Bulk Tank Milk Somatic Cell Counts & Your Milk Quality Assurance Pro., 1/94 | 2 | Presenting an assessment of associations between somatic cell count and completion of the Milk and Dairy Beef Quality Assurance Program (MDBQAP). | N133.194 | 1 |
| Equine | Catalog of Opportunities for Equine Health Monitoring, 4/95 | 44 | Guide to potential sources of equine health data in the U.S. | N180.495 | 1 |
| | NEW: The USDA's Role in Equine Health Monitoring | 2 | Describes U.S. equine and livestock demographics and USDA's current activities and needs in equine monitoring. | N209.796 | 1 |
| Poultry | NEW: Poultry Diagnostic Data as a Measure of National Poultry Flock Health | 9 | Discusses availability of diagnostic laboratory data to represent U.S. poultry health status. | N209.796 | 1 |

| Project/ Topic | Title | # Pages | Description | Item # | # Copies |
|--|--|------------|--|-------------|-------------|
| NAHMS Swine '95 | Part I: Reference of 1995 Swine Management Practices, 10/95 | 24 | Tabular reference on: productivity, preventive & vaccination practices, environmental programs, etc. Data from sample representing nearly 91 percent of the U.S. hog inventory. | N186.995 | 1 |
| | Part II: Reference of Grower/Finisher Health & Management Practices | 24 | Tabular reference on: feed & waste management, health & productivity, marketing, & quality control. Study participants represented nearly 91 percent of the U.S. hog inventory. | N201.596 | 1 |
| | Swine '95 fact sheets, 9/95-1/96 | 2 ea. | Discussions on: biosecurity measures, vaccination practices, environmental practices/management, antibiotics, feed management, & marketing. | NOS.995-596 | 1 |
| | USDA Identifies Pork Industry's Information Gaps, 12/94 | 2 | Describes results of needs assessment activities for Swine '95. | N171.1294 | 1 |
| NAHMS National Swine Survey, 1989-1990 | Morbidity/Mortality & Health Management of Swine in the U.S., 11/91 | 40 | Tabular reference of data collected during the swine survey. Data from sample representing 95 percent of the U.S. swine population. | N101.1191 | 1 |
| | National Swine Survey fact sheets, 11/91 | 2 ea. | Discussions on: biosecurity measures, preweaning illness & death, sow productivity, total confinement & farrowing facilities, preventive practices, consultants, & water quality. | NOS.392 | 1 |
| Swine Slaughter | Swine Slaughter & Surveillance Program, 5/92 | 2 | Presents results of slaughter checks from a Minnesota/NAHMS feasibility study. | N91.492 | 1 |
| NAHMS Sheep '96 | NEW! Sheep Management in the U.S. (available 8/96) | 20 | Tabular reference describes results of a study involving over 4,000 U.S. sheep producers. | N206.696 | 1 |
| Sheep | Sheep & Lamb Death Loss, 1994, 5/95 | 36 | Report describes U.S. adult sheep & lamb death losses by cause & state. | LDP #95-01 | 1 |
| | Sheep Death Loss fact sheets, 1/96 | 2 ea. | Discussions on: 1) 1994 sheep death loss due to predators & health-related problems & 2) specific health-related problems. | N193.4-196 | 1 |
| Aquaculture | Overview of Aquaculture in the U.S., 10/95 | 27 | Describes diverse U.S. aquaculture industry, reviews trends in industry development, & discusses regulatory complexities facing industry. | N187.995 | 1 |
| BSE: Bovine Spongiform Encephalo- pathy | Bovine Spongiform Encephalopathy: Implications for the U.S., 12/95 | 18 | Contains updates on BSE in Great Britain, risk factors on BSE in the U.S., & review of surveillance for BSE in the U.S. | C002.1295 | 1 |
| | Quantitative Risk Assessment of BSE in the U.S., 1/92 | 15 | Presents a systems model of BSE epidemiology, scrapie/BSE contamination of rendered product, risk assessments at state & county levels, etc. | AHI.2.0192 | 1 |
| | Qualitative Analysis of BSE Risk Factors in the U.S., 1/92 | 25 | Discusses the U.S.' sheep population; cattle inventories; slaughter, rendering, & feed industries, etc. | AHI.1.0192 | 1 |
| | U.S. Rendering & Feed-Manufacturing Industries: Evaluation of Practices with Risk Potential for BSE, 11/92 | 22 | Describes 1991-92 surveys of U.S. rendering and feed-manufacturing industries and results regarding risk of U.S. cattle contracting BSE. | C003.1192 | 1 |
| | BSE Video, 7/92 | — | Video shows clinical signs of BSE and contains related films from Great Britain (for check-out only.) | — | — |
| | NAHMS: National Animal Health Reporting System | 10+ | Trends of confirmed disease diagnoses & animal health data collected from veterinary diagnostic laboratories. After reviewing a copy of the DxMonitor, please contact the address below to receive this report on a quarterly basis. | AHI.var | 1 |
| | Report of the 1991 DxMonitor Committee Meeting, 8/92 | 18 | Report of a 1991 meeting of industry representatives convened to provide oversight & direct input for the growth and development of the VDLRS. | AHI.2.1091 | 1 |

| Project Topic | Title | # Pages | Description | Item # | # Copies |
|--|--|---------|---|--------------|----------|
| Cattle | Cattle and Calves Death Loss, 1991, 10/92 | 59 | Provides a breakdown of 1991 cattle & calf death losses by class & size group. | LDP #92-02 | |
| CHAPA: NAHMS Cow/Calf Health & Productivity Audit, 1993-1994 | Forage Analysis from Cow/Calf Herds in 18 States, 3/96 | 18 | Report presents analysis results of 352 cow/calf forage samples collected during the CHAPA. | N199.396 | |
| | Part I: Beef Cow/Calf Herd Practices in the U.S., 8/93 | 24 | Tabular reference on: health, productivity, & management practices from producers in 48 States. Data from sample representing 70 percent of the U.S. beef cow inventory. | N130.893 | |
| | Part II: Beef Cow/Calf Reproductive & Nutritional Management Practices/ Part III: Beef Cow/Calf Health & Health Management, 1/94 | 46 | Tabular references on: II) calving & nutritional management, marketing, & identification; III) breeding management, health problems, & vaccination practices. Data from sample representing 70 percent of the U.S. beef cow inventory. | N135.0194 | |
| | Part IV: Beef Cow/Calf Breeding Management, 3/94 | 12 | Tabular reference on calving & bull breeding management & weak calves. Data from sample representing 70 percent of the U.S. beef cow inventory. | N139.0194 | |
| | Part V: Quality Assurance Profile, 8/94 | 24 | Tabular reference on culling, health problems, injection sites, & vaccination practices. Data from sample representing 70 percent of the U.S. beef cow inventory. | N154.0894 | |
| | CHAPA fact sheets, 8/93-3/94 | 2 ea. | Discussions on: Cryptosporidium/Giardia, animal identification, branding practices, injection sites, opportunities to improve calving management, use of reproductive management technology, etc. | NOB.793-394 | |
| | Cattle Death Loss in Small Feedlots, 5/94 | 1 | Includes relative proportion of losses attributed to respiratory, digestive, & other problems. | N134.0594 | |
| COPE: NAHMS Cattle on Feed Evaluation, 1994-1995 | Part I: Feedlot Management Practices, 1/95 | 24 | Tabular reference on: branding & identification, pen riding or walking protocols, nutritional management, preconditioning, quality assurance, environmental programs, use of consultants, etc. | N172.1294 | |
| | Part II: Feedlot Health Management Practices, 4/95 | 20 | Tabular reference on: antibiotics in feed & water, antibiotic injections, vitamin injections, clostridial and nonclostridial vaccinations, internal and external parasites, Mexican-origin cattle, & information sources. | N177.395 | |
| | COPE fact sheets, 11/94-4/95 | 2 ea. | Discussions of environmental monitoring, Mexican-origin cattle, quality assurance, vaccination practices, injection practices, use of clostridial vaccines, information sources, <i>Salmonella</i> , & <i>Escherichia coli</i> O157:H7. | NOB.1194-495 | |
| | Mycotoxin Levels in the 1995 Midwest Preharvest Corn Crop, 12/95 | 2 | 1995 preharvest corn crop sampling of 639 fields in Missouri, Iowa, & Illinois. | N195.1295 | |
| Emerging Issues | Emerging Acute/Pearcute Clinical Disease Outbreaks Associated with BVD Virus, 6/95 | 4 | Discussions of bovine viral diarrhea [BVD] type 2. | NOS.0794 | |
| | U.S. Risk of Avian Influenza Due to an Outbreak in Mexico, 4/95 | 16 | Provides information on Avian Influenza virus and assesses the likelihood of the virus being introduced in U.S. poultry from sources in Mexico. | C5.0495 | |
| | Foot-and-Mouth Disease: Sources of Outbreaks and Hazard Categorization of Modes of Virus Transmission | 38 | Presents a summary of past primary outbreaks of foot-and-mouth disease (FMD) by source of infection & a qualitative ranking of the relative biological hazard of possible modes of transmission. | C6.1294 | |

| Project Topic | Description | # Pages | Item # | # Copies |
|-----------------------------------|--|---------|--|-----------|
| Emerging Issues (continued) | Executive Summary, <i>E. coli</i> O157:H7 - Issues and Ramifications, 3/94 | 11 | Summarizes an 80-page report focusing on the role of cattle as a source of <i>E. coli</i> O157:H7 in food products. Check here to receive the full report. | C004.394a |
| | Assessment of Risk Factors for <i>Mycobacterium bovis</i> in the U.S., 11/92 | 150 | Discusses bovine tuberculosis detection & eradication, the El Paso Milkshed, imported Mexican steers, cervids/bison, exotic hoofstock, & camillids. | C001.1192 |
